

# PRODUCT GUIDE & INSTRUCTIONS FOR USE

## PRODUCT NAME:

**GREEN GUARDIA NEEM OIL SPRAY  
WITH EMULSIFIER. "READY TO SPRAY"  
FOR PLANT CARE & PLANT PROTECTION.**

**100%  
NATURAL**

**COLD-PRESSED  
NEEM OIL**

**PLANT CARE  
& PROTECTION**

## PRODUCT DESCRIPTION:

### SHORT DESCRIPTION:

The GREEN GUARDIA Ready-to-Spray Neem Oil Mix is a natural, plant-based solution for the care and strengthening of plants in the garden, on the balcony, and in the home.

Thanks to the combination of cold-pressed neem oil, a natural emulsifier, and leaf-soothing ingredients, it is easy to use and provides effective support against pests such as aphids, thrips, spider mites, and whiteflies.

Gentle on plants, safe for beneficial insects, and harmless to humans and pets – ideal for sustainable, chemical-free plant care indoors and outdoors.

### APPLICATION AREAS:

#### Houseplants:

Ideal for regular care and strengthening, even in the case of dry indoor air or underfloor heating.

#### Balcony & Potted Plants:

Especially suitable for susceptible species such as hibiscus, oleander, or trumpet vine.

#### Vegetables & Raised Beds:

Suitable for tomatoes, cucumbers, zucchini, and herbs.

#### Ornamental Plants & Perennials:

Supports the vitality of roses, dahlias, lavender, and more.

#### Greenhouse Plants:

Preventive and caring for sensitive plants such as peppers, chili, or lettuce.

#### Hydroponics & Indoor Gardening:

Also suitable for soilless plant systems.

#### Flowering & Green Plants with Pest Pressure:

For visible damage caused by sap-sucking insects or dry leaves.

# PRODUCT GUIDE & INSTRUCTIONS FOR USE

## TARGET PESTS:

- Aphids
- Thrips (blister beetles)
- Spider mites (red spider mite)
- Mealybugs / Scale insects

2

### REPEAT

- Spray the plants every 2–3 weeks and repeat as needed.

2-3  
WEEKS

3

## IMPORTANT TO KNOW:

### CAN I USE NEEM OIL ON ALL PLANTS?

Yes, neem oil is suitable for houseplants, garden plants, balcony plants, herbs, and vegetable plants. Test on a small area of the leaf first for sensitive species like orchids.

### IS NEEM OIL SAFE FOR PEOPLE AND PETS?

Yes, GREEN GUARDIA neem oil is 100% plant-based, biodegradable and non-toxic for humans, pets and beneficial insects (e.g. bees, ladybugs).

### WHAT HAPPENS TO THE PESTS?

Neem oil acts as a growth regulator on larvae and nymphs. It disrupts their development so they can no longer reproduce – without immediate toxic effects like chemical agents.

### CAN I COMBINE NEEM OIL WITH OTHER BENEFICIALS?

Yes, neem oil is compatible with predatory mites, lacewing larvae and nematodes – please maintain a gap of 2–3 days between applications.

## FAQ

# SERVICE & SAFETY INFORMATION

## SAFETY INFORMATION:

**Shake well before use:** Oil and emulsifier may settle.  
Use only well-mixed product.

**Do not use in direct sunlight:** Apply best in the early morning  
or evening to avoid leaf burn.

**Test on a small area first:** Test on a single leaf of a sensitive plant  
and wait 24 hours.

**Keep away from children and pets:** Although non-toxic, keep neem oil  
out of reach and avoid contact with eyes.

**Store in a cool, dry and dark place:**  
Ideal at 10–20 °C, away from sunlight or frost.

**Do not release into water bodies:** Do not let neem oil enter aquariums,  
ponds, or drains.

**Protective clothing recommended:** Wear gloves and, if necessary, goggles  
when spraying – especially with frequent use.

**NOT HAZARDOUS – NOT A BIOCIDES – NO CHEMICAL ADDITIVES**
